We've had an influx of new arrivals in April, including **Helen Murther** who joined our Audit team as Senior Manager, having spent nearly 10 years at Deloitte.

Helen is a huge Formula One fan and attended Silverstone in 2021. At UNW, she is looking forward to working with a wide range of clients across a number of different sectors.

Helen said: "I was impressed by UNW's wide client base and their clear focus on helping them achieve great results. There is also a strong emphasis on the development and wellbeing of their people."

We are always looking to strengthen our teams, so if you or anyone you know want to work at a great place, full of great people, please get in touch with us via recruitment@unw.co.uk.

Another of our new arrivals in April was **Claire Bell** who joined our Tax team as a Secretary.

Claire previously worked as a legal secretary and is looking forward to working with the UNW Tax team.

She loves Strictly Come Dancing and has been to the studio in Elstree to see the show being filmed!

Claire said: "Everyone has been extremely welcoming, and the initial induction was very informative. UNW seems to be a vibrant environment to learn and grow and to show my capabilities, with lots of opportunities for development working alongside interesting colleagues and clients which makes for an amazing working day."

Some impressive skies out of the window at **UNW LLP** offices this week with the on and off wintry showers creating a dramatic view over the rooftops of Newcastle city centre and beyond...

Inside, it's been another busy one with both entrance and exit as we welcomed **David Paul** to our Employment Tax team and **Alan Suggett** stepped down as Partner.

Very best to both in their respective new roles!

Holy Employment Taxes Seminar... it's over.

Thank you to everyone in attendance at **UNW LLP's** Employment Taxes Update 2022 this morning at **The Catalyst** building on the former Scottish & Newcastle Breweries site – an excellent bit of architecture in the **Newcastle Helix** development that is looking very inspiring as a new centre of innovation for the city.

Thanks also to the accommodating and highly professional staff of **The Catalyst** (**Katy Calveley** and **Stuart Campbell**); our guest speaker **Katy Hampton** for an excellent presentation on National Minimum Wage; our very own caped crusader **Lee Muter** and the dynamic duo of **Paul Tucker** and **David Paul** (Gratefully, we Gotham all to the stage on time and that will be the last awful pun, from my side of things, relating to this event...); and finally, a marketing team appreciation shout out to the organisational excellence of **Maxine Fox**, **emma Mcpartlin** and **Richard Turnbull**.

A really great networking lunch today at **UNW LLP** offices as part of our Resume & Reconnect series.

It was fantastic to be able to see everyone face to face and to continue sharing experiences of the last two years and our thoughts on the economic landscape.

Thanks to all that attended!

I'm really excited about what we have planned for the **UNW LLP** brand over the next few weeks...

Here's a sneak peek of what's to come, in the form of our new office mural recently being installed by the very talented **Mark Shields**.

It's amazing to be part of a firm that not only embraces doing things a little differently, but actively encourages it!

Following his retirement from the UNW partnership at the end of March, **Alan Suggett** has generously decided to donate the £1000 gift given to him by the firm to mark the occasion to **The Sir Bobby Robson Foundation**.

Sir Bobby Robson launched his Foundation in 2008 as a fund within the **Newcastle Hospitals Charity**. It has gone on to raise over £16m to help find more effective ways to detect and treat cancer, working within the NHS and in partnership with other leading charities and organisations.

The charity funds a range of cutting-edge cancer treatment and innovative cancer support services that directly benefit patients from across the North East and Cumbria and which play a significant role in the international fight against the disease.

Sonia Graham, Fundraising Manager at Newcastle Hospitals Charity, said: "This is an extremely thoughtful way for Alan and UNW to mark his long association with the firm. We're very grateful and will ensure every penny is put to the best possible use finding new and better ways to detect and treat cancer. We wish Alan a very long and happy retirement!"

It was an honour to meet the friends and family of Sam Johnson recently, as they kindly donated more than £10,000 to the charity in his memory. After Sam sadly passed away following a tragic accident last year, his friends and family were determined to raise funds for the RVL, where he received critical care. We cannot thank them enough for their kindness – these funds will make such a huge difference, and are an amazing legacy for Sam ❤️

Sam's friend Ben said: "Sam was one of the kindest, funniest and most genuine people any of us have ever met and will be missed by all those who loved him. He will never be forgotten by anybody who had the fortune of meeting him."

Thank you to **UNW LLP** for inviting me to speak at their Employment Tax Seminar last week. It was great to present alongside **Lee Muter**, **David Paul** and **Paul Tucker** covering all things National Minimum Wage and HMRC enforcement.

Great location, cracking turnout, and some lively discussions! 🍷
