Really proud to be part of a winning team at yesterday's Tolley's Taxation Awards 2023 event in London. There was tough competition but we are absolutely delighted that the  $\ensuremath{\mathsf{UNW}}$ Employment Tax Team was winner in the category "Best Specialist Team in a Law or Accounting Firm".

What a great team to work with; Lee Muter, Paul Tucker, David Paul and Becky Hood with support from Richard Turnbull, Daniel Ridley and Sarah Smart.

Thanks also to the organisers, our category sponsor Georgiana Head and all other sponsors and the actor Miles Jupp, who delivered a very entertaining speech, for making this an enjoyable evening.

Delighted to have attended 'The Oscars of Tax' (Tolley's Taxation Awards 2023) last week amidst the elegant interiors of the Royal Lancaster London with UNW's now national awardwinning Employment Tax Team.

Gigantic, and well-deserved, congratulations to Lee Muter, David Paul, Paul Tucker and Becky Hood for taking home the 'Best Specialist Team in a Law or Accounting Firm' trophy.

Thanks to our impeccable table guests: Justine Riccomini MSc FFTA AIPA Chartered MCIPD ChFCIPP, David Menzies CA, Chris Campbell BA (Hons) CA CTA and the incredibly kind award sponsor Georgiana Head - it was great to meet you all.

Special mention to Richard Turnbull who sadly couldn't be there and Claire Bell who arranged everything for us perfectly.

A very slick and enjoyable event (with bonus Miles Jupp) - superbly organised by LexisNexis

Thank you, Tolley's!

It was great to host yet another of our 'Subsidies & Sandwiches' events today, alongside Carole Almond and Neville Bearpark at our UNW offices.

Thank you to all the attendees who took the time to come along. It was good to catch up with like minded people, and an ideal opportunity to discuss all things Subsidies related! #unw #subsidies #networking

It's been a great first day at the #bdcds23 dental show. We had fantastic attendance at the Practice Plan Limited dental business theatre where Lisa Bainham\_Dental, Ashley Latter and I spoke about the cost of living crisis. Although my favourite attendee was this gorgeous Springer Spaniel! Thanks to Hewi Ma for the photos.

Who says sweets aren't good for your health!

For me, one often overlooked aspect of maintaining good mental health (particularly at work) is connecting with other people and feeling part of a community. But that's not always easy if you're not feeling your usual self or dealing with all the normal stresses of life.

Today at UNW, we all had the opportunity to take ourselves away from our desks or meeting rooms and just connect. And what better way to do that than with a pop-up pick 'n' mix station!?

All we asked when people came down to fill up their bags was that they spent some time talking with colleagues about how their week has been going and what they're looking forward to doing this summer.

Volunteer members of UNW's wellbeing team were also on hand to remind everyone about all the features and benefits of Spectrum.Life, the firm's mental health and wellbeing portal which, amongst other things, enables all UNW colleagues and their family members to get free direct access to mental health professionals 24 hours a day, 7 days a week, 365 days a year.

What a fantastic transaction in the ed-tech market for IDP Education Ltd in acquiring a shining example of a quality SaaS business in The Ambassador Platform, and one that UNW were delighted to have advised on.

We're delighted to announce that dedicated blood cancer support charity Bright Red Charity has been chosen as our Charity of the Year for 2023/2024.

Based in the Northern Centre for Cancer Care at the Freeman Hospital, Bright Red aims to improve the lives and treatment of people with blood cancer across the north of England. Through care, research and education, they strive to beat illnesses such as leukaemia, lymphoma, myeloma myelodysplasia and myeloproliferative diseases.

Anne Hallowell, Audit and Assurance partner at UNW, said: "We are delighted that our colleagues have chosen to support Bright Red as UNW's latest charity of the year. We always seek to support a local charity where we can make a difference, and Bright Red has been repeatedly nominated over the last few years, so it was great to see the overwhelming support it received in the staff vote this time around."

/esterday, UNW's Martin Cross and Peter Sym, along with Richard Rafique of Bradley Hall | North East and Matthew Flinders of Mincoffs Solicitors, took part in the annual Great North Air Ambulance Service charity golf day at Close House Golf Club LTD.

The charity, which relies entirely on donations to operate, brings pioneering pre-hospital care to the scene, rescuing hundreds of severely injured or ill patients every year.

Well done to all who took part and to Tracey Wright and everyone else involved in its organisation

This weekend UNW and our team of happy helpers volunteered at and co-hosted the second Sam Johnson Memorial Cup, in memory of our friend and colleague, Sam.

Despite the slightly wetter weather than last year, the event was amazing, raising funds for If U Care Share Foundation.

Thank you to everyone who came out to help and support and to all of the teams for braving the rainy conditions!
